*"We must have broader community financial support."*  
— Ed Solomon, **Page 2**.

## PRESIDENT'S MESSAGE

The Burleith Citizens Association Board convened in August to set an agenda for the coming year and address issues vital to the strength of the organization. Two issues of paramount concern to the board members were association membership and financial stability. The Burleith community has approximately 540 households. Our current membership is 25% of those households.

ED

The cost for publishing the Burleith newsletter will increase this year. Costs for the Winter Picnic and Spring Picnic have also increased. A new initiative for police response to quality of life issues in Burleith, will impact the budget. Expenses for general meetings and printing needs have also increased. We must have broader community financial support—through membership dues—to maintain the strength of this organization. Our dues are voluntary. On the back page of this newsletter is a membership coupon. Please take the time to fill in the requested information and become a member and supporter of your community association.

Although there has been a steady decrease in crime in our community, there was one incident that happened in Burleith on July 5 that the BCA Board felt should be brought to your attention: **Page 3**. We ask all residents of Burleith to be aware of their surroundings when walking late at night and report any suspicious activity to MPD.

To address the concerns of Burleith citizens on commuter traffic on our residential streets, no left turn signs have been placed on Reservoir Road at 38th Street and 39th Street. Cars traveling east on Reservoir Road cannot turn left on 38th and 39th Streets during the morning rush hours. School buses are exempt.

The emergency alert text messaging notification system, started as a pilot program in Burleith and Georgetown, has been accepted by the District of Columbia Emergency Management Office as the model for Washington DC. Those who participated in the pilot have been transferred into the new system. The program is free. From Burleith, 150 citizens have registered. **See Page 3**.

Our next general meeting—or community gathering—is September 8. Tell the BCA Board what issues you want to see addressed and guest speakers you would like scheduled. The new Metro Police Commander of District 2 will address our community on Sept. 8.

By the way, wasn't that a great Spring Picnic this past June? A job well done goes to the Burleith Citizens Association Picnic Committee and local business supporters. The weather was perfect, food was delicious and the crowd was huge.

Hope everyone had a pleasant summer. Welcome back.

See you at the community gathering.

*Ed Solomon, [dctuxedo@aol.com](mailto:dctuxedo@aol.com)*

## Burleith Online

Are you interested in staying in touch with neighbors, receiving e-mails about upcoming community events, or just need a recommendation for a good handyman? Join our online neighborhood group. You can control whether you receive e-mails, digests or just want to check the Burleith Group Bulletin Board.

To join, visit us online at <http://groups.yahoo.com/group/burleith/join>

Once you are a member, you can simply send an e-mail to the group at [burleith@yahoogroups.com](mailto:burleith@yahoogroups.com). You can also join by visiting the Burleith Web site at <http://www.burleith.org>. Then click on the "Join the Burleith Online Community" link on the home page.

The community is already active with over 40 members. It has been used to post information about lost dogs/cats, house rental info, contractor recommendations and community events. We look forward to meeting you online.

*Jen Perry, [jeperry@erols.com](mailto:jeperry@erols.com)*

## ANNUAL BCA FLEA MARKET

Sun., Sept. 12, 9 am–3 pm

Rain date Sept. 19

- **36th St NW, between S and T**
- **Anyone** may participate. Reserve a spot **now** by calling **965-1699**, or register the morning of the event.
- **Setup** 8–9 am. No cars allowed in area after 8:45 am.
- **Bake Sale**, 9 am to 11 am. Anyone wishing to donate baked goods, please contact Kim McGreivey at **338-3468**.
- **Volunteers** are needed to assist in registration, cooking and serving the baked goods, hotdogs and sodas. Stop by the information area in the alley on 36th St. that Sunday, or call Marjorie Wolfe at **965-1699**.
- **Vendors** are asked to contribute 15% of sales to the BCA.
- **JOIN** the BCA for a chance to win a gift certificate.

**NEWS**

# New Devices for Community Calm

It's midnight. Your windows are open to let in the cool autumn air, but you can't drift into sleep because of a loud party down the block.

What do you do?

Call the hotline: **1-800-832-3572**

An operator will take the call and, within a minute, transmit the information to pagers held by Metro police, who should respond to the call within 15 minutes. The caller's identity remains anonymous.

(For emergency calls, the resident is asked to call 911.)

"With this system, we have raised the priority of quality-of-life calls and have

reduced police response time," said Ed Solomon, BCA president.

The new police pagers were purchased by the Burleith Citizens Association, the Citizens Association of Georgetown and Georgetown University. The pagers are carried by District 2 Metro Police officers who patrol the service area that includes Burleith (PSA 206).

The system operates in addition to the Georgetown Hotline 687-8413, which is specifically setup for addressing student behavior in the community.

The program will be monitored for its effectiveness this fall.

# District Offers Free and Immediate Alerts

Weather emergencies, terrorist events and crime advisories can now be fed directly to your cell phone, pager, fax, PDA and e-mail. Alert DC is a new, three-part citizen emergency notification system—and it's free.

The DC Emergency Text Alert system

allows citizens to receive emergency text messages on any text capable device. Citizens enroll online, identify the type of device, and the access number. To register, visit <http://www.alert.dc.gov> or call **727-1000**.

# Primary Elections

On September 14, Primary Elections will be held for the following positions: Delegate to the US House of Representatives, At-Large Member of the Council, Ward Member of the council, and United States Representative.

Registered voters in Burleith may vote at Hardy Middle School (35th and T Streets) from 7 am to 8 pm.

# Robbery on S St.

Three Georgetown University students were robbed at gunpoint on the 3600 block of S Street NW at approximately 11:45 p.m., July 5.

The students reported that three males got out of a parked vehicle, walked toward them, and took purses, credit cards, IDs, cell phones and a check. The students sustained no injuries.

Metro Police responded, took a report and canvassed the scene. All suspects were armed with either a shotgun or a rifle.

**OBITUARY**

## Barbara Golian

Longtime resident Barbara Golian died July 10 after a long bout with cancer. She and her husband Joe lived in Burleith for more than 35 years at 38th and S streets, raising two children, Angelique and Jimmy.

For many years Barbara managed the distribution of the Burleith newsletter. She was active in the Burleith Garden Club and volunteered weekly at the Senior Center in Georgetown.

She was known for her gentle ways, lovely smile and quick laugh.

**Fiery Flamenco Thriving In Greater Washington**

Flamenco emerged as a public artform in the late 1700s, but primitive forms probably existed in Andalusian gypsy enclaves much earlier than that. Flamenco evolved from Hindu and Greek psalms, Gregorian chants, Persian melodies, Mozarabic dirges, Jewish laments, Morisco songs, Castilian romances and African song dances—all of which fused with indigenous Andalusian rhythms, giving rise to this new musical structure.

Flamenco has been gradually growing interest around the world. Even here in D.C. we now host the annual Flamenco Festival, a week of concerts by top artists from Spain.

Lisner Auditorium at GW has been the hosting the venue in

late January—early February.

Also, annual festivities celebrate the Feria de Sevilla (festival of Seville): late May—early June. Tents with dance floors and a main stage host a variety of dance groups that are part of the Washington flamenco community. Plenty of Spanish food and shops serve the public. a weekly calendar of flamenco live events—as well as a teachers directory—visit [www.dcflamenco.com](http://www.dcflamenco.com)

Should you decide to take lessons and experience this fiery, passionate artform yourself, you will find excellent flamenco teachers at D.C. Dance Collective in Tenleytown: 4908 Wisconsin Avenue NW Washington, DC 20016 (202)362-7244.

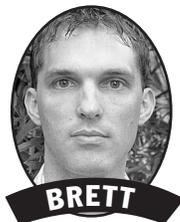

Roya Bahrami, royae@aol.com

**ROYA**

**Sporting Tips for the Burlathlete**

As the swampy summer air yields to crisp autumn mornings, it's time to skip the gym, turn off the television and take advantage of the unique sporting advantages in Burleith.

**BRETT**

A cardiovascular workout is just outside your front door. Take a refreshing jog or walk around the track at Ellington Stadium or try one of the trails in Glover Archbold Park (start at end of 39th St.).

If a game of Frisbee, football or baseball catch is more your speed, try Ellington Stadium, the Green Lot (37th St. and Whitehaven) or the Dog Park (start at end of 39th St and walk about 100 yards).

If you have football fever and an adventurous spirit, test your field goal kicking prowess at Ellington Stadium!

Almost nothing rejuvenates the soul

like an afternoon in the sun, cheering on the home team—and avoiding the dire prospect of battling traffic on the way home. That is why Burleithians should enjoy their proximity to Georgetown University and the many outdoor spectator sports occurring right here on the home campus:

**September 4:** The football team hosts St. Francis, 1 p.m.

**September 5:** Women's soccer team hosts Quinnipiac University at 2:30 p.m.

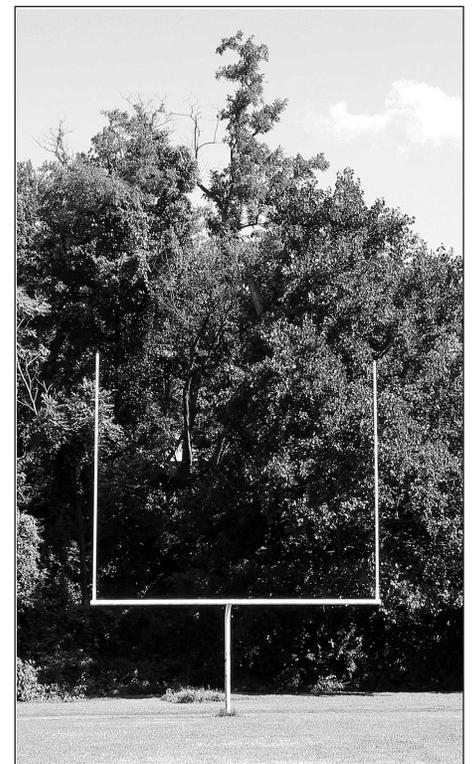

**September 11:** The football team plays Lafayette, 1 pm.

**September 12:** The field hockey team hosts St. Francis, 12 p.m.

If you want to catch the men's soccer team, check out the annual D.C. College Cup on **September 4-5** at American University (not far from Burleith). There are many games in October as well. Check the schedule online at

<http://www.guhoyas.com/schedules/> or call (202) 687-2492.

Brett Walter, brettwalter@yahoo.com

This goal's for you at Ellington Stadium.

# Nature's Cure-all Foods

## Apple

"An apple a day keeps the Doctor away" has never been truer than in the modern world. Apples are all-round health foods

MAYURI

that help reduce the risk of cardiovascular disease (the number one cause of death in the United States) by lowering bad cholesterol, increasing good cholesterol and lowering blood pressure. A

whole apple, skin and all, helps stabilize blood sugar, an important factor in controlling diabetes and helping with weight loss. Depending on the need, apples can prevent constipation or help treat diarrhea. Apples also contain natural acids that may be vital in fighting cancer.

**TIP:** Eat one fresh apple each day for breakfast or as a snack.

## Garlic

Garlic is one of the world's oldest healing foods that has been used for treating almost every know ailment. Allicin, a chemical in garlic, makes it a powerful natural antibiotic with antibacterial, antiviral antiparasitic and antifungal properties. Coupled with its action as a decongestant

and expectorant, garlic serves as an effective cold and flu remedy. Garlic is also heart friendly. A clove of garlic each day reduces cholesterol levels, high blood pressure and the risk of deadly blood clots. Garlic, because of its strong antioxidant and antitumor properties, is used to combat cancer.

**TIP:** Eat one glove of fresh garlic each day OR supplement with Kyolic garlic.

## Honey

Honey is an ancient remedy that is not only delicious but also one of the most powerful healing foods. Honey promotes digestive health by destroying dangerous bacteria that can cause diarrhea and other digestive problems. Honey is high in endorphins that have a powerful influence on our mood, memory, learning abilities and perception of pain. A teaspoon of honey in warm tea or water helps calm the nerves, relax the body and promote deep sleep. Honey helps counteract allergies, reduces the incidence of asthma and helps people breathe easier. It is also a powerful natural antibiotic.

**TIP:** Use: 1 teaspoon of raw honey to sweeten tea, yogurt or cottage cheese.

*Mayuri Sobti Walter,  
mayuri@tulsiliving.com*

## Georgetown Offers "Mini-Medical School"

Georgetown University is offering a fall lecture series taught by top-ranked faculty covering topics from human anatomy to biomedical ethics. Students can get an idea of what medical school is like by taking part in discussions on

modern medicine and by touring laboratories. Eight classes will be held weekly on Tuesday nights starting September 28, from 7 to 9 pm. Call 202 687-4324. Cost is \$100 before Sept. 14.

## BCA Nominations

The Burleith Citizens Association will be accepting nominations for Board Members for the 2005 year. Positions include President, Vice President, Secretary, Treasurer, and Membership Chair. More information, including position descriptions, to come at Fall meetings of the BCA. A leadership role in this organization is a great way to support the community, meet your neighbors and see how local government works in our city.

*Candith Pallandre,  
pallandc@georgetown.edu*

# Take Action

### Street lights Out?

Call 727-1000

Help keep our community safe from crime.

### Turn on Porch lights

Police recommend that every household turn on porch lights—both front and back—to help prevent prowlers.

### Join the BCA

Send in the membership form on the back of this newsletter.

### Trash and Alley Cleanup

To schedule a missed trash or recycling pickup, bulk trash pickup or alley cleanup, call 727-1000. The Department of Public Waste *does* respond! Follow-up with a phone call if you don't receive service.

### Neighborhood Noise?

Call 1-800-832-3572 (Metro Police)

Also, if disturbance is created by Georgetown University students, call the Students' Neighborhood Assistance Program: 202-687-8413.

### G.U. Bulk Trash Pickup

Call 202-687-1646, listen to message, then leave detailed info about your pickup. Pickup dates: Sept. 1, 3, 6, 8, 10, 13, and 17.

### Rodent Control

For complaints about rodents, call the Department of Health at 202-727-1000

### Register to Vote

Registration forms are available at libraries, police stations and fire houses. Forms must be postmarked at least 30 days before an election for you to vote in that election. For information call 202-727-2525.

LIFE IN BURLEITH

# Local Parks Transform Grumpy Kids Into Happy Ones

Washington is a great place to raise children: a bustling metropolis with fun activities and events, yet many neighborhoods, like ours, have a small town feel. We also have the advantage of living in the Capitol, where historic buildings and beautiful public parks are a priority.

This time of year, the weather is often pleasant, perfect for the family's weekly—if not daily—outing to a neighborhood playground. If it isn't part of your routine yet, why not try it?

The practical and therapeutic attributes of playgrounds aren't difficult to pinpoint. Now that we are the parents of a three-year-old girl and a one-year-old boy, and we don't have the space in our tiny Burleigh backyard for lots of equipment, public playgrounds have become key to our sanity.

My husband and I and other parents have incorporated parks and their playgrounds into family time and play dates theoretically to give our children

perspective, but they also miraculously help expel pent up energies. The benefits of playgrounds—a little fresh air, some exercise, some one-on-one playtime with family and friends—are undeniable.

Before we had children, we went on hikes, bike rides, and runs—things that are not impossible to do with small children, but that are definitely more difficult. Now we go to parks to play whenever we can, as the weather permits. It is one of the lifestyle changes that children bring.

An outing can turn grumpiness into happiness. Today when my children were a little cranky in the late afternoon I packed them in the double jogger stroller and we went to Ellington Stadium.

I pushed them around the track a few times and everyone felt better. We were out for about 30 minutes, and that was all it took to turn around their moods.

## Nearby Playgrounds

**The "Tot Lot"** on 35th Street, adjacent to the Corcoran School. A favorite for its proximity, and nice for very young children.

**Guy Mason**, at the intersection of Wisconsin and Calvert. Great for picnics, play dates, and rolling down hills.

**Montrose**, just north of Georgetown, east of Wisconsin on R Street. Has cushy asphalt to buffer falls and lush foliage for escaping the city.

**Cleveland Park**, between 34th and 35th Streets on Macomb Street. Has separate play areas for younger and older children.

**Friendship Park** (commonly known as Turtle Park), on Van Ness at 45th Street. A little farther away, in the neighborhood of American University Park. Has lots of play equipment, including a very large sandbox, and tables for picnics, too.

## Sloppy Recycling Sends It To Dump

Citizens may not realize that including unrecyclable materials in their recycling bins can "spoil the batch," sending everyone's recycling efforts to the landfill.

### Recycle in separate batches:

- \* **Newspapers** (including inserts): Place in paper bags or bundle
- \* **Corrugated cardboard**: Flatten and tie into bundles approximately 42 inches
- \* **Magazines, catalogues, phone books**: Place in paper bags or bundles
- \* **Computer and office paper**: Place in paper bags or bundles. If you include envelopes with plastic cut the plastic out.
- \* **Glass containers**: Jars and bottles only. Rinse, remove caps and rings. No light bulb, cookware or window glass.
- \* **Metal cans**: Rinse. No pie plates or foil products.
- \* **Plastics**: Only narrow-necked containers. Crush flat, remove caps and rings. In the embossed triangle on the bottom of the container, they must be marked #1 or #2.

## Building Community: The Burleith Citizens Association

- \* Improves security through regular contacts with the Metropolitan Police Department.
- \* Coordinates with the Mayor's Call Center for D.C. services.
- \* Reports on the Advisory Neighborhood Council's (2E) decisions that affect Burleith.
- \* Maintains ongoing relations and represents our interests with Georgetown University and other neighborhood schools.
- \* Monitors parking and traffic flow in the neighborhood.
- \* Surveys tree populations in Burleith and secures new plantings.
- \* Informs residents about important neighborhood concerns through regular meetings and newsletters.
- \* Sponsors regular social events, such as the September Flea Market, Summer and Winter Picnics and the Children's Halloween Party.
