**RAIN DATE:** Sunday, September 20,  
same time and place!

## President's Message

The BCA board **welcomes** all Burleith residents — old and new — back after a wonderful summer. If you haven't already done so, please sign up for the Burleith Yahoo group. It will keep you in touch with late-breaking news that affects our community and provides a forum for sharing valuable information with neighbors. See page 4 for information on how to sign up.

Burleith kicked off the summer with our annual **summer picnic**. We had a great turnout. Many thanks to Kay Twomey and all the neighbors that helped to make it a fun and enjoyable day.

**Ellington Field** located on 38th and R streets is an important part of our community. As many residents have noted, the field is in need of landscape maintenance. The BCA has pushed for a landscaping plan with an arborist monitoring the process. I am happy to report that a plan is in development.

Ed Solomon (our ANC Commissioner) and I recently met with Tony Robinson (Office of Public Education Facilities Modernization) Linda Greenan (Georgetown University), John Payne (Duke Ellington High School) and Marcos Miranda (McKissack & McKissack). A comprehensive preliminary landscaping plan was presented that includes replacement of the fence, landscaping the interior and exterior, a complete inventory of trees, removal of invasive species, care of the buildings, and more. The plan requires funding; we will know if this is going to happen by the end of October. If all goes according to plan, the field will be renovated by June 2010.

The BCA seeks your input on the uses of the field and how it serves the community. First and foremost, the field is a part of the public school system and is there for student use. Also, Georgetown University resurfaced the track a few years ago and reserves the use of it at times for track-and-field training.

The BCA asked planners to consider a dog run, native plants where possible, using plants to create a sound barrier, a Web site that would outline uses/rules of the field, creation of a care-taking organization: Friends of Ellington Field, trash removal and maintenance of the field.

Please send your ideas either by email to [bca@burleith.org](mailto:bca@burleith.org) or write to the BCA at the address below.

**Washington International School** will be presenting their

construction plans at the August 31<sup>st</sup> meeting of the ANC. The BCA has been part of a community group that has met a few times to discuss various issues relating to the construction, parking, etc. The plan includes expanding the space of the existing classes and building an addition that will be added onto the Reservoir Road side of the building. Currently, it appears the plan has incorporated our suggestions and the project will be moving forward.

Our treasurer, **Natalie Young**, resigned from the BCA board this summer. We wish her all the best. Natalie was a superb Treasurer and we thank her for all her hard work.

Past-president, **Candith Pallandre** will be taking over as Treasurer. Candith has spent the past few years overseas and has jumped feet-first back into the swing of things, helping out with advertising — and now as Treasurer. Welcome back, Candith, and thanks for all of your support.

**Ellen Clifford** has taken over the responsibility of producing this newsletter's calendar. Welcome, Ellen and thank you, **Ann Carper**, for all your hard work over the past several years. Ann did a tremendous job in coordinating the calendar.

**Matthew Yabroudy** has taken on the responsibility of working with DDOT on issues that are near and dear to all of us: Repairs of alleys, sidewalks, etc., are just a few of the things he is looking into. Many thanks, Matthew for stepping up and getting results!

Looking forward to seeing everyone at the **Annual Burleith Flea Market**. By participating in — or just visiting — the Flea Market you are supporting your neighbors and the Burleith Citizens Association.

## Burleith's Top Dog Competition

The June 13 Burleith Summer Picnic was the scene of a spirited competition in the Top Dog event, which was won by "Nigel", who lives with the Gisler family at 35th and S Streets. In second place was "Gracie", a poodle/bichon/terrier mix, who lives on Whitehaven Parkway with Page Smith. Gracie is about 13 years old, and was rescued by Page from a shelter in Middleburg about 5 years ago. Third place was shared by Linda Greenan's Irish Setters, "Ruby" and "Murphy", who live on S Street.

The champion, Nigel, is approximately three years old and is thought to be a mix between a Border Collie and a Labrador

Retriever. Nigel's true age, breed and puppy history are something of a mystery, since he was adopted in December 2007 from the Lost Dog Rescue organization. Nigel loves to run on the canal path and has spent more than a year trying to train the two Gisler children. As Nigel has bonded with his family, it is hard not to believe that rescue dogs are some of the best dogs to have, since they seem to be very grateful for being adopted.

## Recapping Summer

As the summer ends, let's pause to remember one of the reasons we love summer—the annual Burleith picnic.

The community turned out in large numbers for the annual summer bash held at Whitehaven Park on June 13. Residents joined the Burleith Citizens' Association Board, which sponsored the event, and Ward 2 councilmember Jack Evans, for a fun and entertaining afternoon. There seemed to be something for everyone to enjoy - delicious Rocklands barbeque, great music, face painting, mounted park service police, fire trucks, to GERMS ambulance, and the Burleith Top-Dog contest.

The picnic was successful because of the following people who generously gave their time and energy to help organize the picnic: Linda Greenan, Pat Scolaro, the Warga family (Eric, Emmanuelle and their beautiful kids), Marjorie Wolfe, Ed and Mary Levy, Betty McDonald and John Bonadeo, Patterson Clark, Sylvia Gisler, Eric Simms, and the Burleith board.

#### Thanks also to our supporters—

Georgetown University and Hospital, GERMS, 2nd District Police, Park Service, Georgetown Fire Department, and Café Milano.

## BLUE RIDGE

By Corinna Lothar

Blue Ridge is the newest restaurant in Burleith/Glover Park, replacing Busara. The chef is Barton Seaver, whom Washingtonians know well from his excellent cooking at Café St. Ex and Hook. At Blue Ridge, Chef Seaver prepares locally sourced, seasonal mid-Atlantic cuisine.

Despite the chef's culinary talents, what comes out of the kitchen is uneven, with many dishes under-seasoned. The menu is divided into snacks, appetizers, meat, cheese, sides and entrees. Snacks and appetizers include such diverse offerings as radishes with butter, a smoked trout spread, a crispy grit cake, broiled oysters and seasonal tomato dishes.

Sweet potato fritters are unexpected - little round balls of cheesy, pureed potatoes in a crunchy crispy crust, served hot, accompanied by a nice honey mustard sauce. Very tasty. Grilled calamari are tender, fresh and delicious, although the accompanying pesto overpowers the delicacy of the calamari. Deviled eggs are ordinary. You can easily do just as well at home.

Creamy corn soup is outstanding. Fresh corn gives the soup a sweet base; a topping of house-made crème fraîche adds a bit of tang; and a single barely poached fresh oyster is a pleasant surprise.

Pork meat loaf is tasty, if not unusual. The smallish portion, resting on a bed of potatoes mashed with a hint of garlic, is served in a little

iron skillet. Grilled chicken breast, a pork chop and steak of the day round out meat entrees.

Entrees from the sea include a grilled fish of the day; catfish; grilled trout; and a smoked bluefish Caesar salad. Fish is always a good choice at a Barton Seaver restaurant.

The fried green tomato BLT sounds like a good idea, but the sandwich misses the mark. The fried green tomatoes are dry; the strands of frisee are no substitute for iceberg lettuce; and the cream cheese pimento spread is meager and bland.

Desserts are limited to ice creams, floats and house-made pies. A strawberry-rhubarb pie resembled a delicious cobbler rather than a pie - warm, slightly tart and full of the flavors of summer.

Blue Ridge is an informal, attractive place, despite the high volume of noise and overly loud country rock "background" music. The walls are decorated with eye-catching quilts; the

waitresses wear homey plaid shirts. The staff is friendly and accommodating, if somewhat forgetful. The patio in the back is particularly inviting with a gurgling fountain, trees, shrubs and sometimes a moon overhead.

The wine list includes several pleasant Virginia reds and whites. Prices are reasonable both for food and drink, and remain the same throughout the day.

**RESTAURANT:** Blue Ridge, 2340 Wisconsin Ave.NW, 202/333-4004.

**HOURS:** Lunch Monday to Friday 11:30 a.m. to 2:30 p.m.; brunch Saturday and Sunday 10:30 a.m. to 3 p.m.; dinner Monday to Thursday 5:30 to 10 p.m., Friday and Saturday 5:30 to 10:30 p.m., Sunday 5:30 to 9 p.m.

**PRICES:** Snacks, appetizers, meats, sides \$3 to \$11; entrees \$10 to \$23; desserts \$6.

## A Book Club for Burleith?

Anyone interested in being a part of a book club in Burleith should email or call Candith Pallandre at pallandc@georgetown.edu, or 202 390-9737. A meeting will be held in September at a time to be announced. Monthly meetings (with the exception of December and possibly July/August) are planned. This is the group for you if you love to read, can find time to complete the selected book, and can be available for the selected meeting time. Between 8 and 12 people is a good number, but if we start off with less, it's not a problem. Guidelines will be set up at our first meeting in September. Let's read!

## District Department of Transportation (DDOT) Report

On August 20, Mark Bjorge of the DDOT and I spent some time walking through Burleith. We were assessing the condition of streets and sidewalks. I pointed out the urgency of removing tree stumps that have posed a hazard since June. I am glad to say on Saturday, August 22, a DDOT crew removed the stumps and temporarily repaired the holes with asphalt.

Mark and I conducted a thorough review of the alley between 37<sup>th</sup> and 38<sup>th</sup> streets, and R and S streets, where water drainage issues still exist. We took many photographs of areas in need of repair. We came upon the deep holes and erosion occurring at 39<sup>th</sup> Street, between T and S streets. DDOT is going to work diligently to have either an asphalt or concrete curb installed.

This last week, sidewalk repair was completed around 35<sup>th</sup> Street and Whitehaven Parkway with a new brick sidewalk. There are

also new concrete curbs and new concrete sidewalks along Whitehaven Street, between 35<sup>th</sup> Street and Wisconsin Avenue. This is particularly welcome as there has never been a curb there before. It looks great. Finally, DDOT is scheduled to begin constructing a sidewalk at the corner of 37<sup>th</sup> Street and Whitehaven Parkway in September. Crosswalks will be given a coat of fresh paint at several neighborhood stop signs. Please keep reading here for future updates.

Remember to dial 311 or visit the dc.gov website to report issues. Be sure to note the confirmation number you will be given. This will allow you to track the progress of the reported problem.
