

Community Clean-Up Litter Reduction – October 2023

Report Litter

Community Reported Events

Reported Trash Occurrences to MGUHcommunitycleanup@medstar.net

MedStar Georgetown University Hospital (MGUH) monitors the above email address, responds to community members regarding reported litter events, and sends a designated staff member to collect the item(s) during clean-up hours. **After-hours** submissions are collected the following morning. The MGUH Community Clean-Up Service Area is visualized below, along with October reported events.
